**DECLARATION OF KENNETH H.
BROWN IN SUPPORT OF ALLEGED
DEBTORS' MOTION FOR JUDGMENT
AGAINST PETITIONERS FOR
ATTORNEYS' FEES AND COSTS
PURSUANT TO BANKRUPTCY CODE
SECTION 303(i)**

Hearing

Date: March 27, 2019
Time: 10:30 a.m.
Place: Courtroom 220
1300 Clay Street
Oakland, CA 94612

I, Kenneth H. Brown, hereby declare as follows:

1. I am a partner with the law firm of Pachulski Stang Ziehl & Jones LLP ("PSZJ"),
counsel to CoEfficient, LLC and TelEfficient, LLC (collectively, the "Alleged Debtors") in the

1 above-captioned involuntary cases. PSZJ was engaged to serve as counsel to the Alleged Debtors on
2 or about August 30, 2018.

3 2. I make this declaration in support of the *Motion for Judgment Against Petitioners for*
4 *Attorneys' Fees and Costs Pursuant to Bankruptcy Code Section 303(i)* (the "Fee Motion") filed
5 concurrently herewith.¹ The facts stated herein are of my own personal knowledge, and if called
6 upon to testify, I could and would competently testify thereto.

7 3. Broadly speaking this was an improper involuntary filing by GENBAND
8 Management Services Corporation ("GENBAND"). The matter was contentious and required
9 substantial briefing and research on multiple issues, including whether GENBAND's claims were
10 the subject of a bona fide dispute, determining whether GENBAND qualified to be a lone petitioning
11 creditor under applicable law, and the applicability of the doctrine of abstention under section
12 305(a)(1) of the Bankruptcy Code. The legal work PSZJ performed on behalf of the Alleged
13 Debtors included, without limitation, review and analysis of Texas state court pleadings; review and
14 analysis of GENBAND's notice of removal and consideration of appropriate response options;
15 preparation of a motion to remand or abstention and responding to GENBAND's motion to transfer
16 venue; preparation of the motion to dismiss or for abstention with accompanying evidence; review of
17 GENBAND's extensive opposition and preparation of a reply brief with substantial additional
18 evidence; preparation for and attendance at a status conference; multiple communications with Tyler
19 Bexley, Texas litigation counsel for the Alleged Debtors regarding extensive history between the
20 parties and underlying state court litigation; preparation for and attendance at the hearing on motion
21 to dismiss or for abstention; and preparation of the accompanying Fee Motion.

22 4. Based on the Court's dismissal of the involuntary petitions, the Alleged Debtors seek
23 an award of attorneys' fees and costs pursuant to 11 U.S.C. § 303(i). I have reviewed the attorneys'
24 fees charged for the work performed by PSZJ and Reese Marketos, LLP, in connection with
25 GENBAND's bankruptcy filing and believe they are reasonable based on the circumstances of the
26 case, the complexity of legal and factual issues involved, the time required to address them and the
27 results obtained. The fees and cost incurred by PSZJ on behalf of the Alleged Debtors are itemized
28

¹ Undefined capitalized terms contained in this declaration have the meaning ascribed to them in the Fee Motion.

1 on my firm's invoices, a true and correct copy of which are attached hereto as **Exhibit 1**. The fees
2 of incurred by the Alleged Debtors by Reese Marketos, LLP are attached as Exhibit 1 to the
3 Declaration of Tyler J. Bexley filed concurrently herewith.

4 5. Miriam Manning and I are the two lawyers from my firm that worked on this matter.
5 My hourly rate for this matter was \$925 and Ms. Manning's was \$725. I have over 37 years of
6 experience and Ms. Manning has over 23 years. Leslie Forrester, the Director of Legal Research at
7 PSZJ, performed legal research at the rate of \$395 per hour.

8 6. As reflected in the invoices, the Alleged Debtors seek to recover attorneys' fees
9 totaling \$99,899.50 and \$756.40 in costs incurred in connection with the work of PSZJ on this
10 matter.

11 7. Given the complexity of the case and the substantial work required, it is my opinion
12 that the hours spent and fees charged by my firm were reasonable and necessary. My opinion is
13 further supported by the results obtained, which included the complete relief requested of dismissal
14 of the involuntary petitions and remand to the State Court for a jury trial.

15 8. In addition, I exercised billing judgment in considering the reasonableness of the fees
16 that are being submitted for recovery from GENBAND. Although I believe that all of the fees my
17 firm charged were reasonable and necessary, I have eliminated all time by Debra Grassgreen and all
18 costs other than copying charges and filing fees.

19 9. PSZJ customarily charges \$0.20 per page for photocopying expenses, \$0.10 per page
20 for print jobs, and \$0.10 per page for scan copies. PSZJ's photocopying machines automatically
21 record the number of copies made when the person that is doing the copying enters the client's
22 account number into a device attached to the photocopier. PSZJ summarizes each client's
23 photocopying and printing charges on a daily basis. Whenever feasible, PSZJ sends large copying
24 projects to an outside copy service that charges a reduced rate for photocopying. Pursuant to the
25 guidelines promulgated by the Office of the United States Trustee, PSZJ has agreed not to charge for
26 outgoing faxes. Fax receipts are charged at \$0.20 per page, the same costs as PSZJ charges for
27 photocopies.
